Legal Periodical Indexes

The following three databases are available on the premises of DuFour Law Library. See the Research Databases page for more information.

Legal Resource Index
Available also on both Lexis and Westlaw (LRI). Indexes legal periodical articles from 1980 to date. Retrieves more articles than Index to Legal Periodicals (below) using the simple search “peacekeeping.” The version on Westlaw links directly to the full-text of articles available on the Westlaw system. The hardbound edition of this index (also covering 1980 to date) has the title Current Law Index and is found in the library’s reference room at call number K33 .C87.

Index to Legal Periodicals
Available on both Lexis and Westlaw (ILP). Indexes legal periodical articles from 1980 to date. The hardbound edition is the only source of legal periodical indexing prior to 1980 and is located in the library reference room at call number K33 .I53.

Index to Foreign Legal Periodicals
Indexes foreign law review articles from 1964 to date and is available in the library’s reference room at call number K33 .I38.
